Hello!

My name is Magnus Strömberg, and i lives in Bromma near Stockholm in Sweden.  
I must say that you are making a very good sugar free chocolate, with stevia without sugar.

I have diabetes typ-2, and i am therefore happy for all sugarfree products, who reach the market.

Your chocolate can be compared with regular chocolate, with normal sugar.  
I have bought three of your products in sweden, milk chocolate with hazelnut,  
Dark orange and Fruit and nut.  
They are all very tasty.

Best regards from

  
Magnus Strömberg
